MATT FINISH

- Introducing the Matt Series: Where elegance meets practicality. These tiles boast a non-reflective surface for a sophisticated look while offering enhanced safety with their reduced slipperiness compared to glossy tiles.

- Matt tiles have a non-reflective surface, which can add a subtle and sophisticated look to spaces. They are often chosen for areas where you want to avoid glare or excessive shine, such as bathrooms, kitchens, and living areas. These tiles can come in various colors, catering to a wide range of design preferences.
